## SEVERE WEATHER GUIDELINES

### FIREWOOD GUIDELINES

We love our trees and we want to keep them! Don't contaminate our woods by bringing in firewood. Our firewood is disease free, kiln dried, bundled with a handle and we DELIVER it on weekends!

We do not allow any firewood to be brought in to BHC. All firewood must be purchased from BHC office. If you buy 4 bundles, we will give you 1 FREE! What a deal!

We put a call into Mother Nature and requested 75 and sunny every day, but just in case she's in a mood and it turns ugly - do this:

Listen to the radio or watch local TV stations for the latest weather info

If you need to take shelter, the best place is the BATHHOUSE
