"A BETTER BOTTOM LINE"

In the State of the State Address Governor Walker declared 2014 the year of "A Better Bottom Line." People with disabilities contribute much to the success of businesses and organizations. That's why it's important to highlight employing people with disabilities as a centerpiece at the Governor's 2013 Small Business Summit. Lt. Governor, Rebecca Kleefisch is meeting with representatives of Opportunities Inc. One bright advocate named Carol invited her to tour an Opportunities Inc. workplace too, and she is going to take her up on it!

WACO 2014 CONVENTION

The Wisconsin Association of Campground Owners 2014 Convention will take place March 12th-16th in Stevens Point, Wisconsin. This year will be the 51st Convention for WACO. We are trying something new at the WACO Convention this year. We will be having a CSI (Customer Service Investigation) Tour. This WACO fundraiser includes a trip to four facilities in the Stevens Point area to view customer service from a guest perspective. This trip will give you an inside look on the "sciences" of the bar & grill businesses, give you a different perspective on being a customer, and also a look into different opinions related to the business. We have spots available for sponsors still. For more information, call WACO at 800-843-1821. We hope to see you there!

Kids Kamp

Each year we work on making the camp fun and interesting for kids of all ages to enjoy. While the grown ups are exploring and having fun of their own at the convention, we aim to provide the kids with an optimal experience by keeping busy and enjoying themselves.

Some of this year's Kids Kamp Activities:

- Children's Museum
- Swimming
- Movies
- Games
- Magic Matt
- CSI hunt and fingerprints

- Campground fun
- YMCA
- Trade show activities
- Story time/crafts
- Skate City
- William's Treat
