**This certificate is good for one
(1) 60 second video that will
show potential campers what
your campground is all about!**

\$3,600 Value!!!

We will come to your campground on a weekend that we have available and film for 1.5 days with all of our equipment - including an aerial drone. We will edit your video to a soundtrack we find fitting to your campground and then send you the final video with an attached PDF explaining how to use it on your website and social media.

This includes one round of editing changes, so if you don't like something or want something taken out, etc. you will have your say. This does not include pictures. If there is a weather conflict, we will reschedule on a weekend that does not conflict with another shoot.
