## **GYMNASTICS CLUB**

### ***Our Mission:***

Blue Angels Gymnastics Club was formed around the goal of improving young lives through the sport of gymnastics. In existence for over 20 years, BAGC seeks to offer opportunities for children ages 3 to 18. Every attempt is made to provide affordable programs that fit the needs, motivation and skill level of each student. Blue Angels hopes that each gymnast's life and character is improved through the challenges and successes they find in themselves and in our classes, as well as, becoming amazing gymnasts and athletes!
