ABOUT US

Hi! I'm Victor Chacon, Jr., and I am the owner of Sleepy Dragon Campground. Mowed paths await you, so you can hike to your wandering heart's content. Seasonal sites are available. All of our sites are large and most are shaded. Our sites are spread out, and there is plenty of green space to enjoy. The playground is ready for the kids, and you can golf our chip-and-putt course if you feel like a stroke or two. The store is open, and the rec room sports a billiard table, gaming machines, and arcade games for the kids.

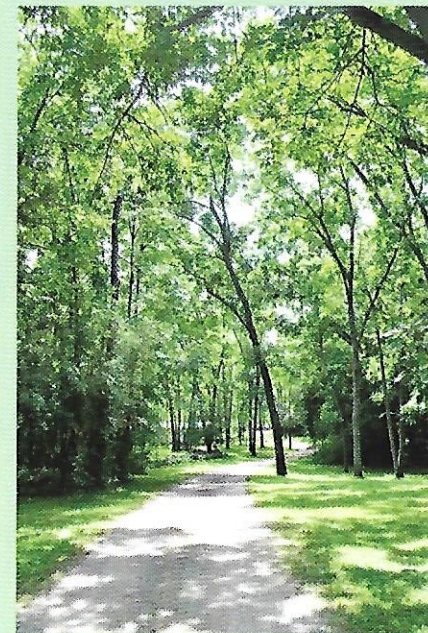

Sincerely,

Victor Chacon, Jr.
