THINGS TO KNOW

Money Made Simple

- Set up your Charge Card at WACO Registration on Tuesday Night. Your charge card will be included with your badge. Please be sure you receive a receipt with all of your purchases. Simply show your card with your auction number on it and sign for the charge.
- Your auction number can be used to bid on silent auction items, live auction items, buy raffle tickets, etc.
- PAC items are the only exception (they must be paid by personal check or cash).
- You may check your balance at any time during the convention.
- You can pay your balance by check, credit card, cash, WACO bucks or a combination!
- Plan to have your account balance settled no later than 9:00am on Sunday.
- Not from Wisconsin? No problem! We take all "out of state" currency!

Valet Directory Pickup

Pick up your Wisconsin Association of Campground Owners directories from the trailer! Simply ask any trade show associate for help loading them to your vehicle. It can be done any time throughout the tradeshow. (Note: only throughout daytime hours please.) Distribute them to your community while getting our directories in the hands of your guests. **Earn 10 Golf Cart tickets by picking up your directories!**

Silent Auction Rules

- To place a silent auction bid, write your bidding number in the starting bid space or on the line following the highest current bid.
- Indicate your bid in the appropriate space on your bidding row.
- In order to be valid, all new bids must be higher than the previous bid by at least the minimum raise indicated at the top of the bid sheet. \$5.00 is the usual amount but please check each auction item.
- A bid is construed as an agreement to purchase the listed item(s) at the amount indicated.
- All bidders must be 18 years of age or above.
- All winning bids must be settled before 9:00am on Sunday by cash, check or credit card.
- In order to protect the integrity of all bidders, please do not scratch out bids. Simply contact one of our volunteers for assistance if you wish to withdraw your bid.
- The auction will close at the announced time at which time the highest bid on each bid sheet will be declared the winner. If multiple people are still interested in bidding at the end – a final bid off will be allowed where each participant puts in a final sealed bid on a piece of paper. The highest final bid will be awarded the item.
- **Don't leave the convention without written documentation of what you have purchased and won.**
- **Bids may only be voided by an auction volunteer or staff member.**
