

NOTICE CONCERNING SERVICE AND COMFORT ANIMALS

SERVICE ANIMALS

We welcome service animals assisting persons with disabilities. Service animals are limited to dogs individually trained to do work or perform tasks for the disabled. Service dogs must be harnessed, leashed or tethered. We may ask whether the dog is a service dog required by a disability, and, what work or task the dog has been trained to perform. Service dogs are allowed in any premises where guests are welcome, but must be under the immediate control of the owner at all times.

COMFORT ANIMALS

We do not allow guests to bring animals, including dogs, as emotional support or comfort animals.

If you have any questions, please speak with the Campground Manager.
