The WRVDA is monitoring the COVID19 situation's effect on all of the businesses we represent. Amy Bliss is on a conference call with the Governor's office daily at 2:30. While each individual business has many decisions to make, we hope the attached resources will assist you in making those decisions. Attached is Governor Evers order from yesterday. Please read it and see how it affects your dealership. [EDIT: Please [CLICK HERE](#) to view order.]

Also linked here <https://dwd.wisconsin.gov/covid19/public/ui.htm> is guidance from the Dept. of Workforce Development that you may want to review. Another emergency order is expected to be issued today so check this website again after this happens.

According to the [Wisconsin Elections Commission](#), Wisconsin citizens are taking concerns about Covid-19 seriously. As of this morning, more than 173,000 absentee applications have been received by Wisconsin municipal clerks. WEC says, "That exceeds total requests for three of the last four Spring Elections." Go to [myvote.wi.gov](http://myvote.wi.gov) for more information and deadlines for absentee ballots.

Our office is being staffed everyday by one employee and the balance of the staff is working from home. We are rotating employees to keep the office open and to provide our members with consistent service. If you have any information you need, we are 100% here to help you.

Stay well!

*Angie Diedrich*
