- In order to be valid, all new bids must be higher than the previous bid by at least the minimum raise indicated at the top of the bid sheet. \$5.00 is the usual amount but please check each auction item.

- All bidders must be 18 years of age or above.
- All winning bids must be settled before 9:00am on Sunday by cash, check or credit card.
- In order to protect the integrity of all bidders, please do not scratch out bids. Simply contact one of our volunteers for assistance if you wish to withdraw your bid.
- The auction will close at the announced time at which time the highest bid on each bid sheet will be declared the winner. If multiple people are still interested in bidding at the end – a final bid off will be allowed where each participant puts in a final sealed bid on a piece of paper. The highest final bid will be awarded the item.
- **Don't leave the convention without written documentation of what you have purchased and won.**

Board of Director Nominees

Along with my wife, Tracy, we currently own and operate a wooded 50-site and 3-cabin campground in Florence that includes an 8,000 sq ft bar/grill and heated indoor pool. We are in the Northeast section of the state. I have been a member of WACO for 9 years which includes 6 years at Lake Hilbert Campground and going into our 3rd year at Camping in the Clouds. Past supervisor for the Town of Goodman, past secretary for the Manitowoc County Tavern League and current president for the Florence County Tavern League, certified pool and spa manager, certified restaurant manager

Brian Huth

Our family has owned Pride of America Camping resort since 1974. As a second generation owner I have the unique experience of 46 years of growing up with the RV industry. At age 8 I started my career as a "Trash Picker Upper" and moved on to grounds and maintenance to help finance my way through the University of Wisconsin where I earned a BS in Mechanical Engineering. After 8 years of designing custom machinery, I changed careers and began working for the UW-Madison in Information Technology. In 2001, after we bought out our final partners, I started managing the IT department at the campground as my second full time job. I brought my knowledge of Information Technology to the business just as the industry was moving towards an embrace of technology. I am retiring from the UW in the near future and looking to become much more involved in growing and improving our industry. I feel my variety of skills and experience can be of great benefit to our organization as we all need to adapt to the ever changing world of technology and the move towards digital marketing.

Peter Hagen

I have been the manager of Rivers Edge Campground for going on 4 years now. Before taking on the responsibilities of running a campground I had owned a bar in Stetsonville, WI called the Roost bar and Crazy Cow Grill. Prior to that adventure I had spent my whole life in customers service. I am the longest running employee of a bar in Weston, 29 years this year (I do still moonlight there to keep my title) have owned a clothing boutique, managed 2 motels, and sold insurance. I love hospitality and customer service, I thrive on making people smile. I also currently am on the board for our local Bowl for kids sake. I enjoy running fundraisers and large events. I enjoy WACO and all it has to offer and would love to be a part of helping it continue to grow and help others grow.

Sarah Krause

My wife and I are entering our 4th season owning Merry Mac's. We were avid "weekend" campers for numerous years and were then seasonals at Merry Mac's for 5 years before purchasing the campground. For the prior 10 years, I was a propane manager for a local cooperative in northern Illinois and oversaw all aspects of the LP side of the business for their 7 locations. While in that position I was also on the Illinois Propane Gas Association board. During my 7 years on the IPGA board, 5 of them I served in all positions on the Executive Board. Over the past 3 years, I've found that WACO is a fantastic association to a part of and I would love to help them achieve their mission. Even though I am still newer to the campground industry, I feel that my time served on the IPGA board would make me a good candidate for this position bringing in new ideas from one association to this association.
