We are in the Northeast section of the state. I have been a member of WACO for 9 years which includes 6 years at Lake Hilbert Campground and going into our 3rd year at Camping in the Clouds. Past supervisor for the Town of Goodman, past secretary for the Manitowoc County Tavern League and current president for the Florence County Tavern League, certified pool and spa manager, certified restaurant manager

Our family has owned Pride of America Camping resort since 1974. As a second generation owner I have the unique experience of 46 years of growing up with the RV industry. At age 8 I started my career as a "Trash Picker Upper" and moved on to grounds and maintenance to help finance my way through the University of Wisconsin where I earned a BS in Mechanical Engineering. After 8 years of designing custom machinery, I changed careers and began working for the UW-Madison in Information Technology. In 2001, after we bought out our final partners, I started managing the IT department at the campground as my second full time job. I brought my knowledge of Information Technology to the business just as the industry was moving towards an embrace of technology. I am retiring from the UW in the near future and looking to become much more involved in growing and improving our industry. I feel my variety of skills and experience can be of great benefit to our organization as we all need to adapt to the ever changing world of technology and the move towards digital marketing.

I have been the manager of Rivers Edge Campground for going on 4 years now. Before taking on the responsibilities of running a campground I had owned a bar in Stetsonville, WI called the Roost bar and Crazy Cow Grill. Prior to that adventure I had spent my whole life in customers service. I am the longest running employee of a bar in Weston, 29 years this year (I do still moonlight there to keep my title) have owned a clothing boutique, managed 2 motels, and sold insurance. I love hospitality and customer service, I thrive on making people smile. I also currently am on the board for our local Bowl for kids sake. I enjoy running fundraisers and large events. I enjoy WACO and all it has to offer and would love to be a part of helping it continue to grow and help others grow.

My wife and I are entering our 4th season owning Merry Mac's. We were avid "weekend" campers for numerous years and were then seasonals at Merry Mac's for 5 years before purchasing the campground. For the prior 10 years, I was a propane manager for a local cooperative in northern Illinois and oversaw all aspects of the LP side of the business for their 7 locations. While in that position I was also on the Illinois Propane Gas Association board. During my 7 years on the IPGA board, 5 of them I served in all positions on the Executive Board. Over the past 3 years, I've found that WACO is a fantastic association to a part of and I would love to help them achieve their mission. Even though I am still newer to the campground industry, I feel that my time served on the IPGA board would make me a good candidate for this position bringing in new ideas from one association to this association.
