Your charge card will be included with your badge. *It will be the same number as your auction number.* Please be sure you receive a receipt with all of your purchases. Simply show your card with your auction number on it and sign for the charge.
- Your auction number can be used to bid on silent auction items, live auction items, buy raffle tickets, etc.
- PAC (Political Action Council) items are the only exception (they must be paid by personal check or cash).
- You may check your balance at any time during the convention.
- You can pay your balance by check, credit card, cash, WACO bucks or a combination!
- Plan to have your account balance settled no later than 9:00 am on Sunday.

Silent Auction Rules

- To place a silent auction bid, write your bidding number in the starting bid space or on the line following the highest current bid.
- Indicate your bid in the appropriate space on your bidding row.
- In order to be valid, all new bids must be higher than the previous bid by at least the minimum raise indicated at the top of the bid sheet. \$5.00 is the usual amount but please check each auction item.
- A bid is construed as an agreement to purchase the listed item(s) at the amount indicated.
- All bidders must be 18 years of age or above.
- All winning bids must be settled before 9:00 am on Sunday by cash, check or credit card.
- In order to protect the integrity of all bidders, please do not scratch out bids. Simply contact one of our volunteers for assistance if you wish to withdraw your bid.
- The auction will close at the announced time at which time the highest bid on each bid sheet will be declared the winner. If multiple people are still interested in bidding at the end – a final bid off will be allowed where each participant puts in a final sealed bid on a piece of paper. The highest final bid will be awarded the item.
- **Don't leave the convention without written documentation of what you have purchased and won.**

Great customer service leads to many benefits. Not only will you gain trust with your current customers, they'll also become a wonderful marketing tool as they spread the word about your business to other potential visitors. Whether in person, or on social media, the word travels fast. And, whether it's positive or negative feedback about a product or service, people are freely sharing their experiences. In the long run, treating people fairly and with respect will bring business to your company today and in the future. Every customer has to be treated fairly and with respect and dignity. Even angry customers. In your customers' eyes, you are the business. SEMINARS – FRIDAY MARCH 19

Morning Seminar Descriptions

Project Management

9:45-10:45am

Kara Traxler

Banquet Room

From implementing a new reservation process to building a 100 site expansion, projects are common in the campground industry. What isn't so common is effective project management. Sometimes it happens haphazardly, "I thought you were in charge of that!" resulting in frustrated owners, employees, contractors, or campers (or all of the above). However, when done through deliberate planning, leadership, and execution, the stress level goes down, and the success level goes up. Learning and applying some of the basic principles of project management will increase your ability to complete them the right way, with the right people, on time, and on budget. Participants will spend time drafting a simple plan for a current or future project.
