Your 2022 Nominees Are...

Julie Michaels

Scenic Ridge Campground

Running for first term

Julie is the owner of Scenic Ridge Campground in Whitewater, WI. She, along with her family, has owned and operated the campground for 22 plus years. Growing up in a large family and running a business with her siblings, as she would put it, has been quite an adventure but extremely rewarding. Family is very important to her so being able to pass along the rewards of providing other families a safe and enjoyable place to create those memorable family moments is what she believes makes her job and this industry so special. When not tending her responsibilities at the campground, she enjoys spending her time crafting, painting and decorating. In turn, she uses these talents to create a visual atmosphere throughout the campground.

Patricia Lombardo

Blackhawk Camping Resort

Rerunning for a second term

A lifelong Chicago resident, Tricia embraced the camping lifestyle so much that she became a seasonal at one of the Wisconsin parks, immersing herself in campground culture while providing “boots-on-the-ground” support for her team for six months of the year. Tricia holds degrees in Finance and Marketing from Loyola University Chicago and is a current participant in the National School of RV Park & Campground Management. While I bring a wealth of institutional experience to the table, I’m very aware that this industry was mostly built by mom and pop operators whose specialized knowledge remains invaluable. By working collaboratively - sharing information, resources, industry advocacy and best practices – we can continue to see guest satisfaction and financial rewards soar to the betterment of this industry.
