Things You Need To Know

Money Made Simple

- Find your personalized bid number behind your name tag in your show badge! This number has been specifically assigned to you. This can be used to “charge” any auction/raffle items. Please be sure you receive a receipt with all of your purchases. Simply show our staff member your bid number and sign for the charge.
- Your bid number can be used to bid on silent auction items, live auction items, buy raffle tickets, etc.
- PAC (Political Action Council) items are the only exception **(they must be paid by personal check or cash)**.
- You may check your balance at any time during the convention by asking at the registration desk.
- You can pay your balance by check, credit card, cash, WACO bucks or a combination!
- Plan to have your account balance settled ***no later than 9:00 am on Sunday***.
- Not from Wisconsin? No problem! We take all “out of state” currency!

Valet Directory Pickup

Pick up your Wisconsin Association of Campground Owners directories at the show. Simply ask any trade show associate for help loading them to your vehicle. It can be done any time throughout the tradeshow. (Note: only throughout daytime hours please.) Distribute them to your community while getting our directories in the hands of your guests.

Earn 20 \$3,000 WACO Bucks entry tickets by picking up your directories!

Silent Auction Rules

- To place a silent auction bid, write your bidding number in the starting bid space or on the line following the highest current bid.
- Indicate your bid in the appropriate space on your bidding row.
- In order to be valid, all new bids must be higher than the previous bid by at least the minimum raise indicated at the top of the bid sheet. \$5.00 is the usual amount but please check each auction item.
- A bid is construed as an agreement to purchase the listed item(s) at the amount indicated.
- All bidders must be 18 years of age or above.
- All winning bids must be settled before 9:00 am on Sunday by cash, check or credit card.
- In order to protect the integrity of all bidders, please do not scratch out bids. Simply contact one of our volunteers for assistance if you wish to withdraw your bid.
- The auction will close at the announced time at which time the highest bid on each bid sheet will be declared the winner. If multiple people are still interested in bidding at the end – a final bid off will be allowed where each participant puts in a final sealed bid on a piece of paper. The highest final bid will be awarded the item.
- **Don't leave the convention without written documentation of what you have purchased and won.**
- **Bids may only be voided by an auction volunteer or staff member.**

Want to volunteer to help with WACO projects? Contact WACO or your Board of Directors!

Information from seminars (if available from the presenter in digital form) will be available on the WACO Website in the "Members" by two weeks post-convention.

WHY AM I NOT GETTING WACO EMAILS?

Sometimes a member accidentally "unsubscribes" from our WACO email lists. When that happens, the office is able to send a ONE TIME link to add you back to our distribution listing. This does require you to "accept" the link and we cannot do it without you accepting it on your end.

IF YOU FEEL LIKE YOU'RE NOT GETTING INFORMATION, GIVE US A CALL AND WE WILL CONFIRM WHAT EMAILS WE HAVE ON FILE FOR YOUR CAMPGROUND!

MISS A SEMINAR?

Head to the tables right next to the registration desk to find any available extra handout materials from seminars!

If you're looking for something you don't see, ask a staff member to put you on our list to email you the presentation and/or handout you're looking for!

As our membership grows, the need for increased efficiencies grows!

At Severson & Associates, we've installed a phone system with a mobile app service, allowing our staff to take calls from anywhere. Calls coming into the general office line at (608) 525-2323 are immediately routed to various staff members. The system tracks calls coming in, going out, and messages received.

Voicemails are automatically emailed to all staff associated with that particular client!

We also use Asana for project tracking and assignments, allowing our office to task staff with emails and member requests efficiently.

These new systems ensure your questions are sent to the proper staff member quicker - so you'll get the answers you need!

Board of Directors Nominees

Ben Stefan – Grand Valley Campground

I am Ben Stefan and my family has owned and operated Grand Valley Campground since 2005. I grew up working in the campground from a young age. As a second-generation owner I now work full time at the campground with my parents, brother, wife and sister-in-law. I also worked as a Systems Engineer in the IT department at Moraine Park Technical College for 10 years while working at the campground every weekend. WACO has helped my family grow our campground in so many ways. I hope to be on the WACO board to give back and share the knowledge that I have learned from WACO over the past 20 years.

Lea Ann Gieck – Skillet Creek Campground

I hope this message finds you well. My name is Lea Ann Gieck, and I am writing to express my keen interest in joining the WACO Board of Directors. Having recently “retired” from my role as the Regional Vice President in Human Resources/Staffing, where I managed a team of 70 and oversaw operations across 20+ office locations, I bring a wealth of expertise in developing people, implementing system and process improvements, and leading teams to surpass financial targets. My professional background is complemented by my current role as co-owner and operator of Skillet Creek Campground, a venture my husband and I purchased in 2021. Over the past three seasons, I have successfully collaborated with government entities, contractors, engineers, and surveyors to expand the campground, adding over 100 RV sites, 9 rental units, and a 1-acre swimming pond. Additionally, I manage the front-end operations, including the camp store, reservations, customer service, and activities. My proficiency in marketing allows me to contribute to the businesses success with a keen eye for content and graphics. I take pride in my ability to excel in execution, consistently delivering high-quality products and services within deadlines. Joining the WACO Board of Directors is an opportunity for me to give back to an organization from which I have gained invaluable information, connected with the right resources and people, and continue to grow in the industry. I firmly believe that my diverse skill set and experiences make me a valuable candidate for the position. I am excited about the prospect of contributing to the success and growth of WACO, and I am confident that my background aligns well with the organization’s mission. I appreciate your time and consideration and look forward to the possibility of discussing how I can contribute to the Board further.

Sarah Krause – C&D Hospitality

I am thrilled to be running for my second term on the Waco Board, drawing upon my eight years of invaluable experience at C&D Hospitality. Passionate about the camping industry, I have cultivated a deep appreciation for its intricacies and have been privileged to contribute to its growth. My journey at C&D Hospitality has not only honed my skills but instilled in me a profound love for the camping sector. Embracing the collaborative spirit of the industry, I find joy in learning from my peers and fostering a sense of community. As a current member of the board, I have relished the opportunity to actively contribute to shaping the future of the camping industry. Being part of the board allows me to play a pivotal role in creating cherished family memories through the growth and development of our beloved industry. Join me in this endeavor to continue building a thriving camping community that leaves a lasting impact on families and enthusiasts alike. Your support will propel us towards a future where the camping industry flourishes, making memories for generations to come.
