### New Amusement Ride Registration Instructions in eSLA

Google Chrome is <u>required</u> to use eSLA.

Please have insurance liability waivers, and non-destructive testing saved to your computer device before following the next steps!

Also, have payment options ready for completing the registration—inspection fees must be paid before registrations will be approved.

If this ride has previously been registered in Wisconsin or are unsure of previous Wisconsin registration, please contact a Safety Inspector with the serial number. If the ride has been registered in the past, we can move it to your account.

- Go to the eSLA Customer Portal: <u>https://esla.wi.gov/PortalCommunityLogin</u>, login using the Existing eSLA User's login on the right-hand side of the screen.
   If you do not have a login for eSLA or need assistance accessing your account, please reach out to your area's <u>Safety Inspector</u>.
- 2. Once you have logged into eSLA select the " + New Application" button seen circled below. If you have multiple tabs on your dashboard, ensure that you are on the "Permit" tab as indicated by the red arrow below.
