Held December 4-7, 2024 in Branson, MO! The Campground Owners Expo (COE), owned by Severson & Associates, a Management, Training and Consulting firm, was formed to give campground owners numerous networking opportunities. The goal is always to improve the bottom line of your campground. We will help you make more money, avoid costly pitfalls, learn and grow through networking, introduce you to suppliers who have products you need, and have fun! The 4-day event features educational seminars, networking events, behind-the-scene exclusives, a full trade show packed with exhibitors who have the products and services you need to run a successful park, and even some built-in downtime for you to explore the beautiful Branson area and take a little working vacation! Your \$200 registration allows you to bring up to FIVE people from your park! You can't beat that kind of low-cost investment in your business. Register today at www.campgroundownersexpo.com!

Serving the campground industry since 1970, Phelps Honey Wagon provides a less expensive option for waste and water handling. Our wagon is an industrial machine for the campground, small in size but powerful in working capabilities. The honey wagon can be used for many purposes: pumping RV holding tanks as well as pits, portable toilets, holding tanks and any other water handling needs you might have. The options are many! The diaphragm pump moves 50-60 gallons per minute. You get the job done fast! As our slogan says, "We make sewage handling So Sweet"

Keep your customers returning with a trackless barrel train. Our rugged oversize barrels are large enough for adults as well as children. Each cart has a customized steel frame, axle, and bias tires on a rim. Connect your carts with the 2" ball and coupler to follow each other through trails, paths, and mazes.

Create your own personal train by choosing single or double carts, colors for barrels/ seats, and tire size.

Don't forget the 5-foot Bluetooth interactive railroad crossing signs with flashing lights for a perfect set-up.

Since 2006, CampLife has created reservation and park management software exclusively for the camping industry. Its dependable online system helps parks of all sizes operate with greater ease to grow, reinvest in themselves, and provide memorable guest experiences. That's why CampLife serves over 700 parks and camp stores.

Features like mobile check-in, digital signatures, SMS texting, Events + Activities Management, and more offer convenience and keep parks agile. And dynamic pricing, site lock, remote metering, and a robust POS help drive revenue.

CampLife's clever software and award-winning coaches help operators save time, make money, and get back to doing what they love

The Inex ALPR Access Control & Security System is highly beneficial for both gated and gateless campground operations. This versatile system excels in managing the entry and exit of vehicles, using advanced Automatic License Plate Recognition technology. For gateless entrances, it offers unparalleled security by constantly monitoring who is on the premises, effectively tracking overstays, and enabling fast forensics in case of incidents. For gated campgrounds, the system enhances convenience by automatically opening gates for recognized vehicles, streamlining access without sacrificing security. Overall, the Inex system provides a robust and efficient solution for ensuring safety and operational efficiency in various campground settings

Peak Energy Technology has added a "Plus" in its product line-up this year. The Peak Energy Saver Plus allows you to recycle and reuse electricity to reduce your kWh usage. It also provides 10X the surge protection required by the NEC code. We guarantee if you are not saving 10% of your kWh usage, we will buy back your Peak Energy Saver Plus. Typical savings is 15-20%. For every 1000 kWh you save, you may reduce your Co2 emissions as if one planted 15.9 trees. The Certified Electricity Recycle Program documents your increased environmental sustainability.

The Campfire mat brings the comfort of your backyard to your campsite. Enhance your campfire experience as you relax, kick off your shoes and watch as the dog lounges nearby, while the kids gather around toasting marshmallows. Specifically designed to encircle your campfire, the Campfire Mat accommodates your entire group, including friends, family, and pets, with ease. Its lightweight, durability, easy-to-clean design, complete with grommets for secure staking, ensures a worry-free experience. An oversized storage bag and stakes make transporting easy. Made from fire-retardant material, the campfire mat adds an extra layer of safety to your outdoor adventures.
