2025 BILL

1 **AN ACT** *to amend* 66.0435 (3) (c) 1. (intro.), 70.17 (3), 79.0965 (title), 79.0965 (3)
2 and 79.0965 (4); *to create* 70.11 (48), 79.0965 (1m) and 79.0965 (2m) of the
3 statutes; **relating to:** a property tax exemption for prefabricated recreational
4 structures.

Analysis by the Legislative Reference Bureau

This bill creates a property tax exemption for prefabricated structures originally designed to be towed by a motor vehicle and used primarily as temporary living quarters for recreational, camping, travel, or seasonal purposes. To claim the exemption, the prefabricated structure must be located in a licensed campground on land that is not owned by the owner of the structure.

The bill also requires the Department of Administration to make aid payments to taxing jurisdictions to compensate them for the loss of property tax revenue due to the property tax exemption for prefabricated structures described above. Under current law, DOA makes payments to taxing jurisdictions to compensate them for the loss of property tax revenue due to the repeal of the personal property tax.

Because this bill relates to an exemption from state or local taxes, it may be referred to the Joint Survey Committee on Tax Exemptions for a report to be printed as an appendix to the bill.
